

## SAPWELL ANION SENSITIVITY CHALLENGE

Do you often feel drowsy or easily fatigued?	Do you often have itchy eyes?
Do you suffer from a dry, scratchy throat/nose?	Do you suffer from jet lag?
Do you take an hour or more to unwind after work?	Does air conditioning makes you sleepy?
Do you have blocked nostrils or signus issues?	Does a wind change affect you?
Do you feel irritable and lethargic before a storm?	Do you have drastic mood swings?
Do you sleep 7 or 8 hours, yet still wake up tired?	Do you suffer bouts of dizziness?
Do you have dryness, burning or itching of the nose?	Do you find it hard to concentrate at times?
Do you find the air in your workplace stuffy and stale?	Do you often fall sick or feel stress up?
Do you suffer from headaches, migraines or the feeling of a tight band around your head?	Do you fall asleep in front of the TV?
Do you have a ticklish cough or need to clear your throat several times a day?	Do you often feel sleepy or drowsy while driving?
Do you yearn for a healthy, smooth and beautiful complexion?
